The CIBL is dedicated to raising the standard of service to youth in sports through the enforcement of this Code of Conduct among its membership.

This Code of Conduct defines the expectations for adults serving as coaches in youth sports. It provides guidance for responding with resolve to protect all children from the psychological, emotional, physical, or social abuses that can be perpetrated against them by youth sport coaches.

It is the duty of the CIBL to be responsible for certifying the coaches to respond to complaints lodged against an NYSCA member coach that has allegedly violated the Code of Ethics.

It is the duty of the CIBL to be responsible that all coaches follow the Code of Conduct. If a violation does occur, the league will follow the "Complaint Against a Coach Procedure" which is outlined on the following page. The purpose of this procedure is to hear the complaints and to determine what, if any, action should be taken towards correcting the member coach's behavior. In order to provide the CIBL the flexibility to take appropriate action when a coach is found to have violated the Coaches' Code of Conduct, a range of possible review committee actions has been developed as guidelines.
